SILVER LAKE PROPERTY OWNERS “TOWN HALL MEETING”/ PUBLIC

McDonough introduced N.J. State Police – Hope Barracks Station Commander Avya and Trooper Kevin Williams; Stan Prater, Area Representative of Jersey Central Power and Light; Township Attorney Michael Selvaggi; and Township Engineer Ted Rodman.

Dawn Decker, a resident of Hope, asked about the status of maintaining the “paper streets” in the Silver Lake area. Selvaggi explained that although the unimproved streets appear on the Hope Township Tax Map, they have not been dedicated to the Township. Therefore, the people living on a particular unimproved street maintain the road. The Silver Lake section was created before the Municipal Land Use Law, and the roads are non-conforming with Township standards. George Anderson, a resident of Hope, expressed concern about the ability of emergency vehicles providing services on some of the unimproved roads particularly during the winter months. Another person asked

if homeowners could be reimbursed for maintenance costs. Selvaggi explained the “Kelly Bill”, which specifies that a qualifying association could request reimbursement based on the Township cost to maintain roads. There are specific requirements in order to establish a qualifying association.

Ann Rhinesmith, a resident of Hope, expressed concern about the disregard for the 25 mile per hour speed limit on Ridgeway Avenue. Shaun Quinn, a resident of Hope, added that there is also an increase in traffic on Ridgeway due to the paving project on Interstate Route 80. He also asked what the speed limit is on Smith and Green Streets. Station Commander Avya spoke about enforcement of the speed limit. In response to the question about Smith and Green Streets, the speed limit is 25 MPH. Signs will be put up after the paving of those roads, which is scheduled for October 16.

Many residents spoke about the duration of power outages. Prater discussed the problems associated with the severe weather events that have occurred and noted the improvements that JCP&L has made with their communication, restoration time, tree trimming, and equipment since then. Residents were encouraged to advise the Township of their concerns about dead trees and trees that may pose a problem to power lines. The Clerk was directed to make a tree removal request form.

Other residents spoke about vacant homes and property maintenance issues. They were encouraged to contact the Township Zoning Officer and the Warren County Health Department.

Mrs. Rhinesmith asked the governing body to remind the public works department to clean drains particularly before heavy rains. McDonough thought that that was being done already. Virginia Dollberg, a resident of Hope, asked for a storm drain to be put in at the corner of Lake View Avenue and Green Street.

Dawn Garris-Peluso, a resident of Hope, referred to a vacant house at the corner of Silver Hill Avenue and Brands Place that has had a full dumpster on site for several months; the grass is being mowed by a neighbor. Samantha Marotta added that there are two abandoned houses on Main Street that are nuisances. The street sign for Main Street is also missing.

The discussion continued with various individuals contributing to the conversation.

The meeting was adjourned at 9:30 P.M. on a motion made by Koonz, seconded by McDonough. The motion was carried.

Respectfully submitted:

Mary Pat Quinn
Municipal Clerk
