

OLD BUSINESS

1—Township Picnic, EC-GT Activities Assessment

- Project Medicine Drop outreach provided. Actual collection low. 4-lbs.
- **Table 1. “Know Before You Throw”**— How to finish up TREX bench collection.
- **Table 2. “Information”**—
 - National Wildlife Federation Community Habitat Program
 - Green Fair Save-the-dates and Town-wide Yard Sale Applications
 - Public Information and Engagement
- **Table 3. “Book Nook Give-Away”**— Re-homed 70 books; informed more people about the existence and location of the book nook

2— Green Fair 2023, Saturday, April 29, 10am to 2pm, Hope School

- “Save the Dates” have been printed; handed out at meetings, the picnic, will continue
- Humpty Jr. verbally agreed to work the Green Fair, offering coffee and breakfast starting at 9am and then shifting over to ice cream. Looking for 2 more trucks
- Still seeking responsible group to facilitate indoor yard sale at the Grange and possible crafts at the Community Center

3— Conditional Use / Master Plan / Climate Change

- Review Master Plan
<https://static1.squarespace.com/static/60b014af89c6ba1a7c92a801/t/61746c61dc9b3278927642cc/1635019879094/masterplan.pdf>
vs. Climate Change Toolkit (It’s not just flooding) Self-Assessment

4— Clean Communities

- Schedule 2nd Clean Up for Green Team / 55+ Club
- T-shirts or maybe polo shirts? and cameras; still waiting on accounting

5— National Wildlife Federation — Community Habitat Program

- Hope Township is officially registered in the program, now we go after points
- How to ID actual Hope sites

6— Speaker Series

- Set First speaker and Zoom or Webex,; Advertising at picnic, Facebook
- Allamuchy is setting up a speaker in October.

NEW BUSINESS

N1— Petition for 13-Ton Truck Limit

- What else can/should be done now from an EC perspective

N2— Tree Assessment and Planting

- When to plant the 2 Salem Oaks at the park
- Still need to access last year’s 20 seedlings at SMP.
- When to plant this year’s seedlings at the Municipal Building along the base of the rock wall lining the parking lot side, all with tree protectors

N3— Rain Garden—Rutgers Grant Opportunity

- Requires follow-up with Rutgers

OTHER ITEMS TO CONSIDER

O1— Solid Waste Dumping, Wetlands

- Status

O2— Eyeglass and Hearing Aid Recycling

- Township sent correspondence to confirm interest. Awaiting installation. Publicizing next.

O3—Tree Festival

- Yea or Nay.
