

OLD BUSINESS

- 1— ZBOA Application #21-003 423 Hope LLC, Block1700, Lot 900 (US Gas):** Application accepted with conditions on March 3, 2022 to replace (2) 10,000 gallon in-ground tanks with 15,000 gallon in-ground tanks; adding “landscape” and regular diesel, raising canopy to accommodate higher vehicles.
 - Application accepted with conditions, memorialized at Planning Board Meeting April 4
 - We have requested to view resolution #21-003

- 2— Rain Barrel Installation/Neighborhood Plant Exchange**
 - The Township Committee decided the best place for the rain barrel would be at the back of the Municipal Building, the corner by the parking lot. There is no gutter there currently.

- 3—Grant for Electric Vehicle Fast Charging Station**
 - If none of the better scoring WC towns apply, we may be considered; WC is supportive
 - Hard to determine what the actual cost to the town would be for a DCFC at MB
 - There is one DCFC “on the map” pending at Exit 12/DD
 - Mayor is connecting with JCP&L; our liaison is checking with Engineer

- 4— Green Fair, Saturday, April 30, in the School Gym**
 - Advertising, signs, last push to get the word out
 - Exhibitors, last chance to reach out to top choices; need native plants, pet rescue
 - EC-GT Activities need volunteers
 - First pass at floor plan

- 5— Sustainable Jersey Recertification deadline May 2022 (150 points for Bronze, 350 for Silver)**
 - **Identify actions/steps:** <https://www.sustainablejersey.com/actions/>
 - Status Check still to be done: Site Review (EB), Community Education and Outreach (LO), Green Challenge (MS), Private Well Water Testing (Alexis); Creative Assets Inventory (MS), Innovative Community (MS)

Quick Note: Direct Install still pending with CFO

NEW BUSINESS

N1— Appreciation Dinner

- Determine that tonnage money and how much is available
- Choose item, if other than more bags, then choose “Slogan”
