Green Fair Final Planning and Set-up

1. Finalize List of EC-GT, Volunteer and Exhibitor Activities

- Exhibitors, last chance to reach out to top choices; need native plants, pet rescue
- Some EC-GT Activities need volunteers

2. Finalize Floor Plan

- Is every exhibitor and EC-GT activity represented?
- Suggestions for better grouping and flow
- FU that there are recycling bins as well as trash bins in the gym.

3. Identify all instructional signs and materials required at the School, inside and out

- Signs at the side door if they remain open
- “Green Fair here”

4. Last round and focus of ads, where to place physical signs

- Exactly where by Route 80, heading to Blairstown and then Heading to Hope?
- Rtes 46 and 519?
- Rtes 521 and 94?
- Exit 19?

5. Last minute item

- Any EC give-aways to any exhibitors?
- Notes for all volunteers, please engage with attendees; try to keep a count of how many stop at your area
- Bicycle Clinic sign up; rides sign up
- Rutgers Health Display
